Mrs. Matthew Marshall
10 Forbes Terrace
Pittsburgh, Pa.

Dear Madam:

We are very glad to hear from you and would much like to see some of your recent work. If you would care to send to us small medallions of President Harding and Dr. Brashear, we should be very pleased.

I am expecting Mr. Noe, our Secretary, back from Europe in a few days, and he can advise you better than I with regard to the best way of marketing the Harding medal.

Very truly yours,

Curator
